# **Local Community & Youth Groups Win Big At The Million Dollar Hole-In-One Golf Shootout**

Fundraiser is set to replace Conejo Valley Days in 2009 as a major source of income for local community and youth groups.

Westlake Village, CA, November 28, 2008 -- On February 12<sup>th</sup> – 15<sup>th</sup> and 19<sup>th</sup> – 22<sup>nd</sup>, 2009, the Optimist Business and Professional Club of Conejo Valley will be hosting their MILLION DOLLAR Hole-In-One Golf Shootout at the Westlake Village Driving Range, located at 4812 Lakeview Canyon Road in Westlake Village.

Due to the cancellation of Conejo Valley Days for 2009, the Optimist Business and Professional Club of Conejo Valley decided to put on this event so that the Youth Groups in our community will still be able to raise money to fund the incredibly useful programs that they provide.

Groups will participate by selling tickets to this event. They earn money by sharing in a portion of the proceeds collected by their group. "Our Optimist club hopes to raise around \$200,000.00 at this event to share with 20+ local community and youth clubs that participate with us in this event", says Mr. Steve Schultz, the clubs V.P. "With the support of the sponsors and the community, this will be a very successful event", he continues.

The event is an opportunity for golfers and non-golfers alike to take a chance at winning many valuable prizes worth from several hundred dollars all the way up to the coveted one million dollars (\$1,000,000). Golfers will be shooting to qualify for a chance to shoot, in the final round, for a field of 19 holes valued from \$10,000 - \$1,000,000.

"This event is a WIN-WIN-WIN", says Schultz. "The community groups earn lots of money for their programs, the participants get a chance to win many prizes and our Optimist club gets to put on an event that we hope will be the first of many, that will help the youth of our community."
