FOR IMMEDIATE RELEASE

Mancil Davis, the “King of Aces”, will be the emcee at Million Dollar Golf Shootout

Fundraiser is set to replace Conejo Valley Days in 2009 as a major source of income for local youth and community groups.

Westlake Village, CA, January 12, 2009 – Mancil Davis the PGA world record holder for career holes in one (51), better known worldwide as the “KING OF ACES”, will be the Master of Ceremonies at the Million Dollar Golf Shootout being held at Westlake Village Driving Range on 19th – 22nd, 2009. The Optimist Business and Professional Club of Conejo Valley will be hosting this Major fundraising event to benefit local youth and community groups who usually have Conejo Valley Days as their fundraising source.

“When Conejo Valley Days was cancelled for 2009, our Optimist club decided to step up and create a way for the youth and community groups to raise the money they need for their programs,” according to Steve Schultz, the clubs V.P. “This is going to be the biggest fundraising event of 2009 for the groups here in the Conejo Valley,” says Schultz. He also said that “we are very lucky to have Mancil here to emcee our event. He brings a whole new level of excitement that will make this event truly unique and fun for all”.

Twenty five lucky shooters will reach the Final Round of the event, which will be held on February 22nd, and will get a chance to aim for one of the 19 prize holes. The prizes start at \$10,000 and go up to \$1,000,000. Every shooter in the Final Round will get a prize. Non golfers can win too because their tickets can be entered into the many drawings that will be held throughout the 4-day event for some valuable prizes. Prize winners do not need to be present to win.

Youth groups are earning money by selling tickets to this event. For additional information and tickets check out their website at www.bpoptimists.org or call Steve at 805 495-4900.
